COVID-19 and Social Distancing

This competition is being planned on the assumption that some social distancing rules will remain in place for “high risk” indoor activities, such as swimming competitions.

If there are no restrictions in place, the number of swimmers that can be accepted will be adjusted accordingly.

Because of the uncertainty about the level of restrictions that will be in place at the end of Sept, there is a possibility that this event may not proceed as planned, and the event may be cancelled or changed at short notice.

**\*\*Therefore, we recommend that nobody commits to non-refundable travel or accommodation arrangements\*\***
