Refreshments are available in the café next to the reception area of the centre, there is also a soft play area for younger children for a small additional fee payable to Salt Ayre.

The pool area will be open to swimmers from 7:30am. Swimmers will be marshalled in the studio hall so bring warm clothing for the walk through. We ask that no camping chairs are brought to poolside unfortunately there isn't enough room for them.

No photography is allowed in the facility (Salt Ayre policy) We have Pete Bratley Photography attending.

Pete will be taking pictures throughout the gala they can be viewed at petebratleyphotography.com. Pictures generally take a couple of days following the event to be published once all editing has been completed. There will be a PDF order form at the bottom of each sessions photos which parents can download and fill in, once filled in email it back to Pete 100asa.21din@gmail.com and pictures will be sent out once payment has been made.

If you would like a photo taking of your swimmer in a particular event then contact Pete on the above email address with their name and event, he will make a note of it and will try and take it for you. A lot of parents ask on the day, so getting in before the event is a good idea. If you have any questions or to view Pete's work please contact him through the website.

We also have a swim shop on the day (Sportfox) they will setup at the end of the spectator's area.

We are delighted to be attending the Bay Fusion Gala on the 2nd October. We will have a selection of the Arena race range including the ST 2.0, R-Evo and Carbon Air2 as well as luggage, goggles and training aids. If there is something specific you would like us to bring just drop us a message via sales@arenaswimwearstore.com If you have any questions regarding the Arena product range just pop over and see us on the day.

All sales are **CASH or CHEQUE ONLY**. This is so they can provide a discount on the day. There is a cash machine at Asda next door to Salt Ayre.
